The Calgary Bridge Foundation for Youth Annual Youth Achievement Awards provides the opportunity for immigrant and refugee youth to be recognized for their achievements by receiving scholarships for post-secondary education.

On May 22, 2020 immigrant and refugee youth will be recognized and celebrated for their exemplary accomplishments.

Several scholarship award recipients will tell their immigrant and refugee stories, and the impact of CBFY and partners as they aspired to settle and integrate in Canada. Throughout the evening, guests will be immersed in a variety of cultural performances and inspiring stories of trials and tribulations, resiliency and triumph.

Multi-sectoral partners often come together, share in a common initiative and deepen community. As leaders in Calgary we add value and contribute to building strong and resilient cities where our immigrant and refugee youth thrive and succeed.

Please take this journey with us and support a worthy cause by sponsoring this event.
