- **Investing in opportunities** that open doors for newcomer youth and families.

ABOUT CBFY

We are building *Bridges to Belonging* for the next generation of Canadians.

Since 1990, we've helped tens of thousands of immigrant, refugee, and newcomer youth and families build successful lives in Canada. Through in-school and after-school programs, workshops, field trips, and hands-on learning experiences, we help participants overcome barriers, connect with their communities, access valuable resources, and develop a strong sense of belonging. By introducing youth and families to Canadian culture and community life, we help create pathways to opportunity, success, and a brighter future.

core values Collaboration, connection and community

mission Champion the journey of newcomer children and youth

vision Newcomer children, youth and their families thriving in a harmonized, multicultural community

THE IMPACT OF BEING A SPONSOR

The Calgary Bridge Foundation for Youth is grateful to the businesses and community partners who support our mission and the success of newcomer youth and families.

EMPOWER THE NEXT GENERATION OF LEADERS

Your sponsorship directly supports immigrant and refugee youth in achieving their dreams through education, mentorship, and leadership development, opening doors to brighter futures.

INVEST IN EQUITABLE OPPORTUNITIES

Many newcomer youth face barriers due to displacement, language, and systemic inequities. Your support helps level the playing field by funding scholarships, programs, and culturally responsive services.

STRENGTHEN OUR COMMUNITY

When immigrant and refugee youth thrive, our whole community benefits. Sponsors like you help foster inclusion, resilience, and social cohesion in Calgary's growing multicultural landscape.

IMPACT A YOUTH'S FUTURE

Your sponsorship plays a vital role in sustaining and growing essential programs that thousands of newcomer children and youth depend on each year for support and a successful settlement journey in Canada.

If your organization prefers to make a charitable donation without receiving promotional benefits, we can issue an official tax receipt for the eligible amount. Donors of \$1,000 or more will be recognized in our program materials (unless anonymity is requested).
